

Chubb Jewelry Services

CHUBB®

Chubb's jewelry practice brings together the expertise of in-house GIA Applied Jewelry Professionals in underwriting, loss prevention, and claims. Jewelry specialists provide risk consultation on topics ranging from security protection to valuation, and can refer our clients to jewelers, safe companies, appraisers, auction houses, and other best-in-class jewelry vendors throughout the world.

Complimentary Services

Collection Valuation Review*

Review of jewelry collection to determine whether scheduled values are in line with the market, or should be re-appraised based on current market trends and values.

Collection Risk Assessment*

On-site analysis of security controls, safe installation, fire protection, inventory management, exposure to transit, staff, verification of high value item location, and care and maintenance of collection.

Fire, Security, and Loss Prevention Advice

Consultation on alarm plans and available alarm products, monitoring companies, and safe specifications, and tailored advice to protect a collection.

Pre-Renovation Consultation*

Consultation on how to protect and preserve jewelry collections during a renovation, including advanced security measures and mechanical system testing.

Referrals to Jewelry Professionals

Referrals to experts worldwide, including bench jewelers, jewelry appraisers, secure transporters, and advisors.

Review of Loan and Consignment Agreements

Review of loan and consignment agreements to evaluate the acceptability of a borrowing institution or consignee from a loss control perspective.

*Available to select clients as capacity permits.

Personal Risk Services

Chubb. Insured.SM
