

HAGERTY
FOR PEOPLE WHO LOVE BOATS

QUICK REFERENCE GUIDE

HAGERTY OFFERS

- Agreed Value*, which pays the full insured value in the event of a covered total loss, less any salvage value if retained.
- Flexible navigation in continental U.S. & Canadian waters.
- In-house claims handling and repair shop of choice.
- No required lay-up period.
- Multiple boat discounts.***
- Cherished salvage®, which allows boat owners the right to keep the salvage if there is a covered total loss – without subtracting the salvage value from your client’s Agreed Value payment.**

WHICH BOATS QUALIFY?

Hagerty protects boats made of wood, fiberglass and steel, including – but not limited to – Runabouts, Cruisers and Sailboats. This includes boats under restoration and newer boats. **Flip this card for more details.**

SURVEYS

Surveys are typically required only for Cruisers and Sailboats over 26’. Existing policyholders will only be required to obtain a new survey once every five years. Please call for more details about survey requirements.

QUOTE REQUEST

Visit HagertyMarine.com and click on the Quote button, or simply call a Hagerty Marine representative. We customize our boat quotes to ensure the best rates for your client; as a result, online pricing, applications, or policy management are not available. Quotes are returned directly to your client by email unless otherwise specified.

*Less any deductible and/or salvage value, if retained by you. Agreed Value includes all taxes and fees unless prohibited by state law.

WHAT QUALIFIES?

FIBERGLASS BOATS

Popularized in the '50s and '60s. We consider collectible fiberglass boats up until the current year.

WOODEN BOATS

Most classic wooden boats in good to excellent condition qualify, including Chris-Craft, Century, Gar Wood, and high-quality reproductions.

RUNABOUTS

Typically range in size from 14' to 26' with an enclosed top deck and individual cockpits for seating.

UTILITIES

Typically range in size from 12' to 26' featuring a large open interior and enclosed top deck forward of the windshield only.

LAUNCHES

Range in size from 16' to 26' and feature open seating for several passengers. Early versions were powered by steam. Launches are typically narrower and slower than Cruisers.

CRUISERS

From 26' on up, with enclosed cabins that typically allow for overnight stay. Design types include Sedan, Aft Cabin, Flush Deck, Express, Sportfish and others.

SAILBOATS

Range from 12' open boats to much larger vessels with full cabin facilities. Design types include Yawl, Gaff Rig, Cutter, Catboat, Sloop and others.
