

COMMERCIAL LINES

Orchid Insurance is here to help grow your commercial business and offer your clients customized solutions for their unique needs. Orchid excels in providing insurance for coastal properties, including wind coverage, as well as providing comprehensive insurance solutions in all 50 states.

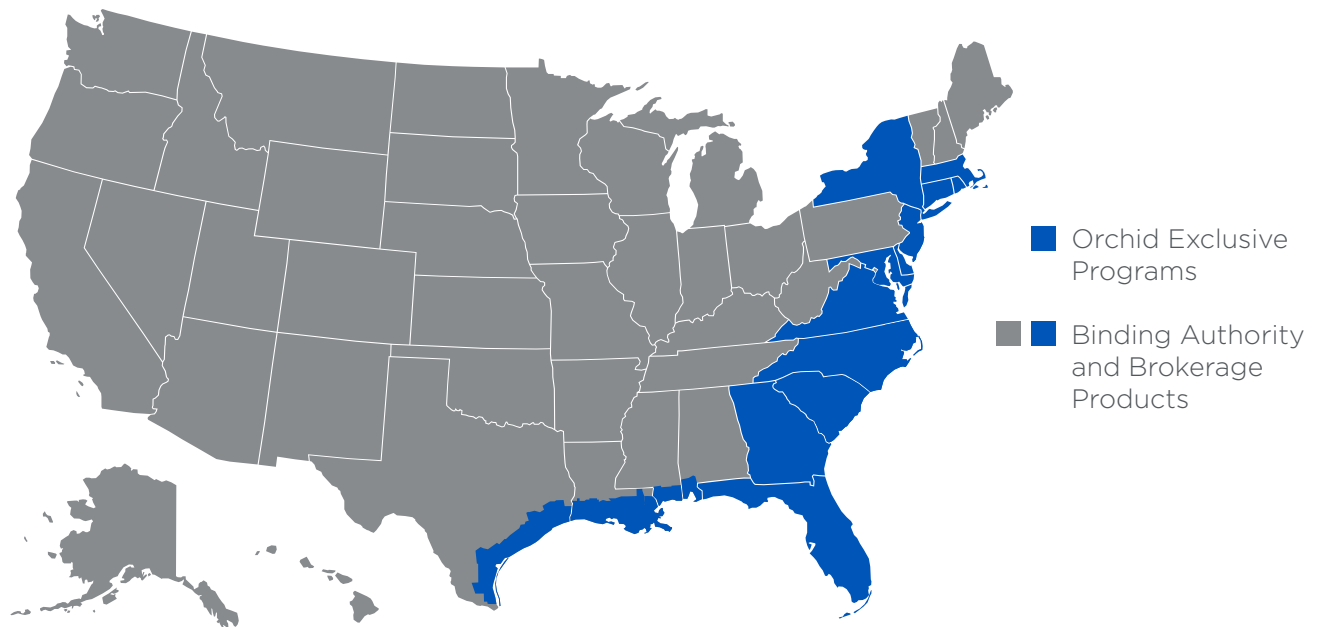

Orchid has exclusive coastal programs that provide complete underwriting authority and pricing capabilities. We provide proprietary policies with multiple carriers on over 400 classes of business, and offer distinct features such as multiple deductible options and no restrictions on distance to coast.

Orchid's Commercial division also offers a broad variety of products in all 50 states with inland and coastal capacity. Our coverages protect insureds with high-quality products, such as:

- | | |
|--|---|
|  Commercial Package |  Contractor's |
